**Song:** *America the Beautiful*

Oh beautiful for spacious skies  
For amber waves of grain  
For purple mountain majesties  
Above the fruited plain

America, America  
God shed His grace on thee  
And crown thy good with brotherhood  
From sea to shining sea

### BENEFITS OF ROTARY

Money can buy a house, but not a home.  
It can buy a bed, but not sleep.  
It can buy a clock, but not time.  
It can buy a book, but not knowledge.  
Money can earn a position,  
but not respect.  
It can buy blood, but not healthy,  
so you see, money is not everything  
in life...service is.  
-Anurag Prakash Ray

### WELCOME SONG

*Song by Wally Williams (Former Club Member)*

Welcome to Sugar House Rotary,  
We're mighty glad you are here  
We'd like to sing you a long song  
But a wrong song might appear  
So sit you down and make some  
friends today...Right Here!

### ROTARY HUMOR

A cat died and went to heaven. When he arrived at the gate, an angel asked: "Welcome to heaven. What can I get for you to make you happy today?"

The cat replied: "Oh, I sure would love a nice, soft pillow!" And so, the angel gave him the pillow and called for the next person in line.

The next day, some mice were in line at the gate. The angel asked them the same question. The mice replied: "Ooh! Can we have some skateboards?!" And the angel gave them the skate boards.

A few hours later, God was strolling through his kingdom and came across the cat on his pillow. "Good cat! How do you like heaven and your pillow?"

The cat smiled and replied: "This place is great! The streets are gold, this is the softest pillow in the world! Thank you, God!"

God smiled and said: "So you're really liking it?"  
The cat said: "Oh, I love it! And by the way, thanks for the meals on wheels you sent by earlier!"

# THE rotarian OF SUGAR HOUSE

**ERROL P. EERNISSE**

*President, Quartztronics, Inc. and Quartex Inc.*

The holder of 21 U.S. patents and numerous foreign counterparts, Errol P. EerNisse is president of Quartex Inc. and Quartztronics Inc., companies he helped found. A native of South Dakota, he completed his bachelor's degree there before coming to Purdue to do his master's and doctoral work. Upon completing his Ph.D. at Purdue he joined Sandia National Laboratories where he carried out research on ferroelectric, diffuse ferroelectric and piezoelectric devices. He rose to supervise the research division involved in radiation damage effects of semiconductor devices.

In 1979 EerNisse moved to Salt Lake City and helped found Quartex Inc. and Quartztronics Inc., a corporation devoted to the research and development of quartz resonators as sensors to measure acceleration, pressure, and temperature. While continuing to serve as president of these corporations, he also helped found and manage 12 other Utah high-tech corporations devoted to developing quartz resonator sensors which EerNisse invented or co-invented.

EerNisse is the author or co-author of 92 journal publications and two books. He is a Fellow of the Institute of Electrical and Electronics Engineers, a Fellow of the American Physical Society, a Senior Member of the Instrument Society of America, and a member of the National Society of Professional Engineers. He received the W.G. Cady Award. He was named a Distinguished Engineer in 1985 and the Entrepreneur of the Year in 1996 by South Dakota State University and in 1994 received the Governor's Medal for Science and Technology from the State of Utah.

Dear Rotary Club President:

On behalf of the Cache Valley Morning, Logan, and Brigham City Rotary Clubs, we want to welcome you and your club members to beautiful Cache Valley next month for the District 5420 annual district conference. We have been working closely with District Governor Steve Skinner to host a memorable visit to our mountain community. Not only will we be instructed in and inspired by experts in the art of Rotary but we think the entertainment and fellowship events will create opportunities to become more familiar with the hundreds of Rotarians throughout the State of Utah who choose to make a difference through selfless efforts.

As part of our efforts to raise funds for the Rotary Foundation, we will once again be featuring a silent auction.

We are inviting each club to donate one or more items for the auction and would encourage you to consider items that are of a minimum of \$50.00 in value. With solid participation from our District clubs, we hope to raise several thousand dollars for the Foundation. We also invite you to bring your club banner so that it can be proudly displayed in the room where the auction items, banquets and plenary sessions will be held.

While we will have informational brochures to distribute at the upcoming District Assemblies to be held April 12th in Salt Lake and April 26th in St George, we ask that you encourage your club members to go on line where they can learn more about the conference and complete their registration. Obviously, planning for the conference is simplified when we have an early indication of attendance numbers.

The speaker slate is nationally renowned, the golf course is well-groomed, the entertainment is right out of Broadway, and multiple events for spouses should provide a delightful weekend for all who attend. We very much look forward to greeting you at Riverwoods Conference Center located on the banks of the beautiful Logan River in downtown Logan on May 14-16th.

[www.utahrotary.org](http://www.utahrotary.org) is waiting for you and your club members to sign on and get registered right now!

Trace Skeen

2014 Conference Committee Chair

## CHRISTMAS BOX INTL BARBACUE OPEN HOUSE

Hello members of the Sugar House Rotary Club, My name is Clay Brimhall and I am an intern with Christmas Box International of Salt Lake. In light of April being Prevent Child Abuse Month, CBI will be hosting a fun BBQ Open House event at our facility (3660 S. West Temple, SLC, UT) on April 30th, from 6-8 PM. The Open House will have delicious food, a silent auction and a number of prizes, all in an effort to raise awareness and donations. All of us at CBI would be extremely grateful for your assistance in sharing this event with your members and posting the Open House event on your rotary calendar, if possible. I have fliers with all the details for the event but I am not able to attach them through this comment space. Please get back to me and let me know how I could share the details of this event with your members. Thank you for your time and consideration.
