Grab your coat and get your hat.
Leave your worries on the doorstep.
Just direct your feet to the sunny side
of the street.

Can't you hear that pitter pat?
And that happy tune is your step.
Life can be so sweet on the sunny
side of the street.
I used to walk in the shade with
those blues on parade,
But I'm not afraid.
This rover crossed over.
If I never have a cent, I'll be as rich as
Rockefeller;
Gold dust at my feet on the sunny
side of the street!

WELCOME SONG

Song by Wally Williams (Former Club Member)

Welcome to Sugar House Rotary,
We're mighty glad you are here
We'd like to sing you a long song
But a wrong song might appear
So sit you down and make some
Friends today . . . RIGHT HERE!

Teen Challenge 180 Ministries For Girls An at-risk rehabilitation program for girls

Our residential recovery program offers at-risk girls the opportunity to live, learn and heal within a structured and supportive environment where they can experience the unconditional love of God and the transforming power of the Gospel. This isn't drug rehab, this is learning a new life, free from drugs and alcohol, giving the girls a new sense of purpose and direction for their lives.

We are staffed by a team of compassionate, Christian leaders who are specially trained and dedicated to working with troubled girls, ages 12 to 17, who are in danger of making decisions that will have lifelong destructive consequences for themselves and their families. It is our goal to guide young girls toward discovering their true identity in Christ and fulfilling their God-given destiny and purpose.

Our home and school, both parts of this Tooele Utah rehabilitation facility, are located on a quiet, five-acre property in rural Utah that includes an apple orchard; cherry, apricot, walnut, and peach trees, chickens, horses, pigs, ducks and a large greenhouse.

PEOPLE HELPING PEOPLE OF UTAH

INDIVIDUAL & FAMILY SERVICES

Our goal at People Helping People is to teach low-income women how they can build better futures for themselves and their children by becoming and remaining successfully employed.

Women seeking our services typically want a better quality of life, but lack the training, confidence and positive work experience necessary to maintain employment. Our unique employment approach helps low-income women develop the tools, knowledge and self-confidence necessary to compete for better jobs, seek raises and promotions, and become financially self-sufficient.

Approximately 60% of our clients are single mothers and many receive public assistance; including the children of our clients', our program impacts over 2,500 individuals annually!

Pamela Okumura, Program Director, says People Helping People is the only agency in Utah that provides not only free employment training, but also one-on-one employment coaching and mentoring with dedicated volunteers!

HUGS

Hugging is the most beautiful form of communication that allows the other person to know beyond a doubt that they matter!

So . . . did you know that

An AARP Foundation study shows that a third of Americans over age 45 are lonely. You can help battle the solo blues by embracing National Hug Day on January 21! Are you available?
