OPENING

MUSIC: Geri Aposhian Gibbsas guest conductor with Craig Kaelin accompaniment on the keyboard.

SONG: Do....Re...Mi....
from the Sound of Music

Doe, a deer, a female deer
Ray, a drop of golden sun
Me, a name I call myself
Far, a long long way to run
Sew, a needle pulling thread
La, a note to follow sew
Tea, I drink with jam and bread
That will bring us back to do...oh oh oh

Repeat Chorus

Note from Wikipedia:

The Sound of Music was Rodgers and Hammerstein's last work together, as Mr. Hammerstein died one year later. The movie adaptation won five Oscars, including best picture and best director. It contains more hit songs than any other Rodgers and Hammerstein musical, likely due to the phenomenal success of the film version. Even though it was adapted to film nearly 50 years ago, it remains the most financially successful film adaptation of a Broadway musical ever made.

TODAY'S PROGRAM "Foundation Global Grants"

Sue Van Der Hoof, from the Holladay club and the District Foundation Global Grant Chair. Additional presenters will be: Geri Gibbs, George Aposhian & Julie Crandall.

Our club is participating with two other clubs in an international clean water project in Kenya. It was originally conceived as a family service project by the Aposhian family, but how it has grown over time. This is the back story to how \$1,000 became \$3,000, which like Jack's Magic beans exploded into \$30,000. At this meeting you will meet Sue Van Der Hoof, who will explain how our club has benefitted from the money each member contributes to the Foundation, and how that money is used to create global grants benefitting humanity all over the world in various projects, as clubs find strategic partners to co-operate with internationally.
