SONG: When It's Springtime . . .

When it's springtime in the Rockies
I'll be coming back to you
Little sweetheart of the mountains
With your bonnie eyes of blue;
Once again I'll say I love you
While the birds sing all the day
When it's springtime in the Rockies
In the Rockies far away.

RI Convention in Bangkok Comes to a Close

By Ryan Hyland
Rotary International News -- 9 May 2012

Rotarians and friends left the 2012 RI Convention in Bangkok, Thailand, energized to keep up the fight against polio and to use their ingenuity to help reduce global poverty.

The four-day event, which drew to a close Wednesday, attracted more than 35,000 attendees from 181 countries and geographical areas and included a celebration of two major milestones in the global polio eradication effort.

Attendees were also treated to a preview of the next RI Convention, which will take place 23-26 June 2013, in Lisbon, Portugal.

In his closing remarks, RI President Kalyan Banerjee reminded Rotarians that "what's important in Rotary isn't what we say. It's what we do, and who we are."

"There dwells within you the power and spirit that can evoke the energy you may not realize," Banerjee said. "You have to be hungry enough to reach within and release the energy to help you embrace humanity. I believe this is the state we call happiness. I have just given you the prescription for it. Rotary can help you achieve happiness in life that you seek."

Incoming RI President Sakuji Tanaka outlined his plans for his term, which begins 1 July. Tanaka will ask Rotarians to achieve *Peace through Service*.

"Through service we learn that the problems that may seem large to us are really very small," said Tanaka. "We learn empathy for others. We come closer to people who seem very different from us. And we begin to understand how much we are all the same."

"Through our Rotary service, we know that cooperation is more productive than conflict," he said. "We know that every one of us has something to give, and everyone has something to teach."
