<b>Song:</b>	Let There Be Peace on Earth

**Song:** Let There Be Peace On  
Earth

Let there be peace on earth  
And let it begin with me.  
Let there be peace on earth  
The peace that was meant to be.  
With God as our father  
Brothers all are we.  
Let me walk with my brother  
In perfect harmony.  
Let peace begin with me  
Let this be the moment now.  
With every step I take  
Let this be my solemn vow.  
To take each moment  
And live each moment  
With peace eternally.  
Let there be peace on earth,  
And let it begin with me.

So sit you down and make some  
friends today...Right Here!

### Peace is On Its Way.

Rotary's International Assembly was held January 15-20, 2017 in San Diego. At this annual training for District Governors-elect from around the world, DGE's were surveyed regarding what priorities Rotary should focus on. The incoming District Governors listed the following priorities for what they would like to see:

Peace was not only the top choice of the DGE's, it will also be the focus of RI President-elect Ian Riseley's year at the helm. President-elect Riseley, who attended the Zone Institute in Salt Lake City in October of last year, plans to hold 6 Presidential Peace Conferences at various cities around the globe in the upcoming Rotary year – one conference for each of the 6 areas of focus. We understand he'll be working with the relevant Rotary Action Groups in planning the various conferences. For the Peace Conference that would be our own Rotary Peace Fellow Brian Farr, the incoming Chair of the Rotarian Action Group for Peace.

Brian L. Farr, J. D. is the Chair of the North American Interfaith Network, global Chair-elect of the Rotary Action Group for Peace (an affiliate of Rotary International), Peace Committee Chair of the Salt Lake Interfaith Roundtable, and board member of the Norman and Barbara Tanner Center for Non-Violent Human Rights Advocacy at the University of Utah. He is a Richard L. Evans Fellow, Office of Religious Outreach, Brigham Young University, a Rotary Peace Fellow, member of the Interreligious Engagement Advisory Council at Utah Valley University, Vice-chair of the Salt Lake Area Public Affairs Council of the Church of Jesus Christ of Latter Day Saints, and past President of the Utah Council for Citizen Diplomacy (a nonprofit organization that hosts U.S. State Department visitors under the International Visitor Leadership Program). Brian practiced law in both the public and private sectors for nearly forty years including service as Chief Legal Counsel and Deputy Chief of Policy to the Governor of the State of Utah and ten years as a Division Chief in the Utah Attorney General's Office.

## Meet the: General secretary

Rotary's general secretary and executive team oversee a staff of more than 800, who serve Rotary members from our world headquarters in Evanston, Illinois, USA, and seven international offices. The general secretary is a member of the Rotary International Board of Directors and The Rotary Foundation Board of Trustees.

### MEET OUR GENERAL SECRETARY

John Hewko has served as Rotary International's general secretary since 2011. A charter member of the Rotary Club of Kyiv, Ukraine, Hewko lives out Rotary's mission, whether inside or outside the office. He's immunized children against polio in India, represented Rotary at the World Economic Forum, and bicycled 104 miles (167 km) with Rotary members in Arizona, USA, to help raise over \$13 million for polio eradication. "It's an honor to go the extra mile in serving this great organization. I see Rotary as the original social network formed to exchange ideas and resources so we can transform lives. We're a bold NGO that believed it could end a disease, and we've stuck to the cause for over three decades. That thought inspires me every morning."
