'Let it Snow!'

Oh, the weather outside is frightful
But the fire is so delightful
And since we've no place to go
Let it snow! Let it snow! Let it snow!

Man it doesn't show signs of stopping
And I brought me some corn for popping
The lights are turned way down low
Let it snow! Let it snow!

When we finally kiss goodnight
How I'll hate going out in the storm
But if you'll really hold me tight
All the way home I'll be warm

And the fire is slowly dying
And, my dear, we're still goodbying
But as long as you'd love me so
Let it snow! Let it snow and snow!

THE BIRTHDAY SONG

**Fellow Rotarians, we're glad
you're here,
For we understand your birthday
dates are near;
So if it's past, today, tomorrow,
Here's a phrase we'll gladly
borrow:
Happy birthday to you!**

Salvation Army Bell Ringing

A wonderful day of service was enjoyed by Sugar House Rotarians December 20, 2022. The location was the Smith's at 900 East and 2100 South in Salt Lake City. Collections were running very high. The bell ringers were exceptionally skilled at shaking down even the most miserly

Scrooge impersonator. This writer made several visits during the day to the event and noted that people were lining up to make

donations. It did seem that those who wore brightly colored socks made larger donations than most. No known reason, just an observation. An event for a good cause for all people and a service to the community at large. Thank you, Rotarians, for filling all the time slots and heartily ringing your bells.

Roundtable at Fiddler's Elbow

A good turnout at the roundtable meeting December 29th. A good time to ring out the old year and be ready for the New Year. Thanks to Brandon Briggs a newly minted principal at Van Boerum & Frank Associates for picking up the tab for one of our club members. It was also a pleasure to see James Coombs and his wife.
