You're a grand old flag,  
You're a high-flying flag,  
And forever in peace may you wave.  
You're the emblem of the land I love,  
The home of the free and the brave.  
Every Heart beats true under red,  
white and blue,  
Where there's never a boast or a brag;  
Should old acquaintance be forgot,  
Keep your eye on the grand old flag!

### **WELCOME SONG**

Song by Wally Williams (Former Club Member)

Welcome to Sugar House Rotary,  
We're mighty glad you are here  
We'd like to sing you a long song  
But a wrong song might appear  
So sit you down and make some  
friends today . . . Right Here!

### HAWKWATCH ORGANIZATION

*Neil Paprocki*

Neil earned his BS in Animal Behavior from Bucknell University in central Pennsylvania. Upon graduation, he immediately immersed himself in ornithological fieldwork for over three years and has worked with Ptarmigan in Alaska, and song-birds in New Hampshire and Nevada. Eventually he made his way into the Raptor community by working with the federally endangered California Condor for two and a half years in Southern California, northern Arizona and southern Utah.

Neil arrives at HawkWatch International having recently spent the summer of 2014 studying Gryfalcons on the Seward Peninsula of northwest Alaska. In addition to his love of Raptors, he helped co-found a small Wildlife conservation filmmaking non-Profit, Wild Lens Inc., during his time At Boise State University. In 2013, he co-directed his first film, *Bluebird Man*, about the role of citizen scientists in the recovery of North American blue-bird populations. Neil also enjoys backpacking, hiking, photography, birding, homebrewing and skiing.

“There is nothing in which the birds differ more from man than the way in which they can build and yet leave a landscape as it was before.”

## SERVICE ABOVE SELFIES

90 Years of [The Rotarian's](#)  
Photo Contest

Like the technology we use to take photographs, *The Rotarian* magazine's photo contest has evolved over the past 90 years. The first contest, in 1928, asked readers for their vacation photos. In 1941, a new category was added for color photography. Some years the contest had a single theme, such as "Rotary in Action" (1974) and "Service Above Self" (2006); other years, it featured categories such as "This Is Rotary" and "This Is My Country" (1961). Photographers no longer send their submissions via snail mail as prints or slides; instead they upload their digital images—often, photos they've taken using cellphone cameras and selfie sticks. Through it all, Rotarians have turned their cameras on the world to tell Rotary's many stories!

**Check out the entire article and pictures in the February 2018 edition of *The Rotarian* with Jimmy Carter on the cover! Great stuff for you talented members and your stories!**
