HOME ON THE RANGE

1. Oh give me a home,
Where the buffalo roam,
Where the deer and the antelope play;
Where seldom is heard a discouraging word,
And the skies are not cloudy all day.

Refrain:
Home, home on the range,
Where the deer and the antelope play;
Where seldom is heard a discouraging word,
And the skies are not cloudy all day.

2. How often at night,
When the heavens are bright
With the light from the glittering stars;
Have I stood there amazed
And asked, as I gazed,
If their glory exceeds that of ours?

(Refrain:)

**Paul Brooks
Director of Hydrology and Water Resources Graduate Certificate Program,
University of Utah**

Paul Brooks is a professor of Hydrology and Biogeochemistry, founding director of the Interdisciplinary Graduate Program in Hydrology and Water Resources at the University of Utah, director of the Wasatch Environmental Observatory, and Fellow of the American Geophysical Union. Prior to joining the faculty at UU in 2014, he was a professor in the Department of Hydrology and Water Resources at University of AZ and director of the National Science Foundation funded Center for the

Sustainability of semi-Arid Hydrology and Riparian Areas. His research focuses on the interactions between climate, water, ecosystem structure, and society with particular interests in seasonally snow-covered mountains. As a first-generation college student, Paul recognizes the responsibility that comes with the privilege of higher education and is committed to training the next generation of professionals and to translating the results of basic academic research to real world application.

WELCOME SONG

Song by Wally Williams (Former Club Member)

***Welcome to Sugar House Rotary,
We're mighty glad you are here
We'd like to sing you a long song
But a wrong song might appear
So sit you down and make some
Friends today . . . RIGHT HERE***

Hello Rotarians,

Highland High greatly appreciates your kindness and support for our most vulnerable students!

Next school year Highland High School is focusing on our refugee students. There are over 300 students in our ELS program (English as a Second Language). Studies show that students learn best when they are working one on one. We would love you to help tutor our students during the school day. Highland is thrilled with any volunteer hours you could give.

Below are the steps for a simple background check.

Volunteer

THANK YOU FOR YOUR WILLINGNESS TO GET INVOLVED! YOUR SERVICE TO OUR STUDENTS CAN MAKE A DIFFERENCE IN THEIR EDUCATIONAL OUTCOMES.

WITH REGARD TO STUDENT SAFETY

Because we want our school community to feel safe and comfortable on our campuses, we have policies and guidelines that volunteers are asked to follow. Our district has established a procedure that adheres to Utah State law requiring school districts to screen prospective volunteers. All unsupervised volunteers need to complete a background check before serving in an unsupervised capacity. See “Unsupervised Volunteers” below for more details.

THE FOUNDATION’S VOLUNTEER EFFORTS FALL INTO TWO CATEGORIES.

A SUPERVISED VOLUNTEER IS: Someone who works directly, either individually or in small groups, with students. This individual must always be in the line of sight of a district employee; never alone with a student.

AN UNSUPERVISED VOLUNTEER IS: Someone who travels or may work individually with students where they may not be in the line of site of other adults at all times. This includes, but is not limited to, chaperoning on field trips, one-on-one tutoring or reading groups outside of the classroom. This volunteer must complete a background check prior to any unsupervised volunteering. The background check process is initiated when the potential volunteer fills out an application online or on the school kiosk. Potential volunteers will receive instructive emails leading them through the process. Once the background check is complete, the volunteer will be notified. After signing in at the kiosk, the volunteer will receive a coded name badge indicating unsupervised status.

DISTRICT VOLUNTEER MONITORING. District volunteers can register, apply for a background check and record their service hours from any district kiosk. This makes monitoring volunteers district wide possible.

VOLUNTEER OPPORTUNITIES FOR CORPORATIONS AND NON-PROFIT GROUPS. Group volunteer opportunities occasionally come through large events, or sometimes through programs to tutor or read to students weekly. The foundation works with schools and volunteer groups to make these opportunities as successful as possible.
