AMERICA THE BEAUTIFUL

Oh, beautiful for spacious skies,
For amber waves of grain,
For purple mountain majesties
Above the fruited plain.
America! America!
God shed His grace on thee,
And crown thy good with
brotherhood,
From sea to shining sea.

WELCOME SONG

Song by Wally Williams (Former Club Member)
Welcome to Sugar House Rotary,
We're mighty glad you are here
We'd like to sing you a long song
But a wrong song might appear
So sit you down and make some
Friends today . . . RIGHT HERE

Mark Durrant

Mark is a Partner in the Real Estate Section of Dorsey & Whitney LLP. His practice encompasses a wide range of matters involving real property, including commercial office, retail and industrial leasing and the acquisition, development, financing, and sale of office buildings, apartment buildings, condominiums, condominium hotels, timeshares, and shopping centers. Mark's experience also includes the development of commercial and resort properties; development of planned communities; private residence clubs; golf courses; community structuring; real estate foreclosures; and zoning and entitlement matters. He received his B.A. from Brigham Young University in 1995 and then received his J.D. cum laude from J.

Reuben Clark Law School, Brigham Young University in 1999. He also keeps very busy in his spare time outside of work. He has been a BYU Sportscaster for 25 years where he is the color commentator for the Men's Basketball radio broadcasts. He played basketball for BYU back in the 90's. He would say he was the best average player that BYU ever had. One of his fa-

avorite memories as a basketball player was when his teammate, Robbie Reed hit a game win-

ning 3 point shot against the University of Utah in the Huntsman Center. He always thought it was important to make his teammates better which is also something he believes for every aspect of his life.

He is the youngest of eight children, 3 sisters and 4 brothers. He has his own family of 4 children with his wife Marilee and currently lives in South Jordan, Utah.

Of course, one of his greatest accomplishments in life is his longtime friendship with the current Sugar House Rotary Club President, Brandon Briggs.
