We are working on an idea to assist the Navajo Nation in this time of covid. Myself, Paul Summers from Bountiful Rotary, Stuart Richardson from West Jordan Rotary, Mo Sbai from Salt Lake Rotary went down to the Navajo nation near Blanding and delivered several tons of supplies destined for the Mountain Ute tribe. They have suffered greatly in the crisis and desperately need help. It was a successful trip and we thank you for the club support. We intend on providing an ongoing effort to this cause and we will keep you informed.

The Salvation Army partnered with us and provided many food boxes and cleaning kits. Part of the expense also included over \$400 in Spam!
