In Rotary we serve and share.

Those words can pack an awful lot
of clout!

For they show how much we really
care, and that's the reason
we are singing out!

It's great to serve in Rotary, to share our
talents too,

And help each other
show the world what Rotary
can do as we serve,

Serve and share, here and there and
every where!

For that's what Rotary is all about,
Yes, for that's what Rotary is all about!

WELCOME SONG

So sit you down and make some

providing vital aid for well over 1 million people.

[How do ShelterBox Response Teams Operate](#)

A highly trained ShelterBox response team, composed mainly of volunteers, distributes ShelterBoxes at the site of a disaster, working closely with local organizations, international aid agencies, and a global network of volunteers. Each ShelterBox, tailored to the particular disaster, typically contains a relief tent for an extended family, blankets, water storage and purification equipment, cooking utensils, a stove, a basic tool kit, children's activity pack, and other essential items. Distributions may also include SchoolBoxes containing essential tools for teachers and basic educational supplies for 50 children.
