America The Beautiful

*Oh beautiful for spacious skies
For amber waves of grain
For purple mountain majesties
Above the fruited plain*

(Chorus)

*America, America
God shed His grace on thee
And crown thy good with brother-
hood
From sea to shining sea*

*Oh beautiful for pilgrim feet
Whose stern impassioned stress
A thoroughfare of freedom beat
across the wilderness*

Debra Mair

Debra Mair has received her MS Degree at the University of Utah in Educational Psychology and Rehabilitative Counseling. She has been employed at the Utah Independent Living Center since 1982, first as a counselor and since 1985 as the Executive

Director. She is involved in many community committees and boards and is a strong voice and advocate for people with disabilities. Under Debra's leadership the UILC continues to grow serving large numbers of people with disabilities each year. Last year the center helped 2079 people with disabilities gain life skills needed for increased independence. 720 were youth in local high schools who needed life skills training in order to transition from high school to employment or other life choices. People of all ages and with all types of disabilities are served at the Center. Through fundraising efforts, a large skills center was built behind the UILC office building to accommodate the growing number of people needing independent living services.
